MARINE DEPARTMENT.

The 17th February 1903.

No. 20Marine.—In exercise of the powers conferred upon him by section 126, sub-section (3), of the Calcutta Port Act, 1890, and in supersession of previous orders, the Lieutenant-Governor is pleased to sanction the following bye-laws for the safe and convenient use of the Port Commissioners' Dry Docks, made by the Commissioners in meeting, under section 126, sub-section (1), clauses (c) and (i), of the Act.

W. A. INGLIS,
Offg. Secy. to the Govt. of Bengal.

1. Applications to dock vessels in the Dry Docks shall be made in writing to the Deputy Conservator in the printed form attached (Appendix A), which may be obtained at the Harbour Master's office. Such applications shall be entered in the order in which they are received in an Entry List. Any steam-vessel, but not a sailing vessel, may be entered for docking before her arrival.

2. No vessel shall be entitled to be admitted into the Dry Docks without having the time and manner of her entry into, and of her remaining in, the Dry Docks previously regulated at the office of the Deputy Conservator in books to be kept there for that purpose. The Owner, Agent or Master of a vessel shall therefore, as soon as practicable after her arrival

in the Port of Calcutta, submit an application, under his own signature, for regulation, in the form attached (Appendix B).

3. Until the Deputy Conservator shall have issued to the Master a regulation order in the form attached (Appendix C), no such application as aforesaid shall be deemed to have been accepted, and no regulation as to the time and manner of the entry of a vessel into a Dock, or of her remaining there, shall be deemed to have been made.

4. Prior to the time arranged for the admission of any vessel into the Dry Docks, the following arrangements must be carried out on board the vessel and order taken with reference thereto, viz.—

Suitable hawsers and heaving lines must be in readiness on each side fore and aft and gantlines rove for mast-head pendants.

The vessel must be in ballast trim, must be upright and, as nearly as possible, on even keel, and the bilges must be perfectly dry fore and aft and kept so. All side and stern ports to be shut.

The ballast tanks must either be pressed full with their doors properly secured or pumped quite dry, and, when possible, with their doors off ready for examination.

In the event of any Owner, Agent or Master being desirous of docking a vessel with cargo, the total weight of vessel and cargo shall be declared, and the Commissioners may refuse to dock such vessel if they consider it right to do so without assigning any reason for their refusal.

The Owner, Agent or Master of the vessel shall likewise be bound to make known to the Commissioners in writing on the application (Appendix B) the style of construction of the vessel's bottom, *e.g.*, whether she has a bar-keel, a keel-plate or camber in the keel, or any overhanging, or other special construction.

The vessel's crew shall render every assistance when docking and undocking, and if, in the opinion of the Deputy Conservator, extra hands are required on board, they shall, for that purpose, be provided by the applicant.

If so required by the Dock Officers, the awnings shall be furled.

The vessel may be inspected by a Dock Officer, and should he find that any of the above-mentioned provisions of this bye-law have not been carried out, the vessel may be refused admission into the Dry Docks.

5. Save as hereinafter mentioned, no vessel shall remain in the Dry Docks longer than the time for which such vessel shall have been regulated. If before the expiration of the time for which a vessel has been regulated the Deputy Conservator shall be satisfied, on written application to be made to him for that purpose, that circumstances not known when the vessel was regulated, or beyond the control of the parties engaged in the work, will prevent the completion, within the period for which the vessel was regulated, of work which can only be done in a Dry Dock, a new regulation may, if the Deputy Conservator thinks proper, be made for such further time, but no vessel shall be allowed to remain in the Dry Docks for more than four days in all without special sanction from the Vice-Chairman of the Commissioners.

6. In regulating the admission of vessels into the Dry Docks preference shall be given to vessels with a gross tonnage of not less than 1,000 tons, and the Deputy Conservator shall likewise be at liberty, with the approval of the Vice-Chairman, to give priority of regulating to such vessels as shall require the use of the Docks for the least time not exceeding 24 hours, without regard to the order in which such vessels stand on the list. But no vessel to which priority shall have been given under this provision shall be entitled, under any circumstances, to remain in the Dry Docks beyond the time for which she was regulated.

7. If any vessel shall not leave the Dry Docks at the expiration of the period for which she was regulated or re-regulated, the Deputy Conservator may, with the approval of the Vice-Chairman, remove any such vessel.

8. IN the Resolution in this Department, No. 1445, dated the 21st March 1887, the Governor-General in Council was pleased to direct that agreements between Masters of Ships and lascars or other native seamen should be in the form appended to that Resolution. The form then prescribed has been modified from time to time, by the orders* noted in the margin, and in view of the modification sanctioned by the Resolution of the 1st August last, the Secretary of State for India has now suggested the inclusion in the form of agreement of an additional clause to insure the provision of warm clothing and the proper heating of the forecastles of ships which carry lascars on voyages to ports on the east coast of America between 38 and 43 degrees north latitude. It is also observed that the English Merchant Shipping Acts of 1854 and 1855, referred to in the form now in use, have been repealed.

2. For the above reasons the form of agreement has now been revised and brought up to date, and the Governor-General in Council is pleased to direct, under section 27 (1) (*b*) of the Indian Merchant Shipping Act, 1883 (V of 1883), that agreements between Masters of Ships and Indian seamen shall in future be in the form annexed to this Resolution.

ORDERED, that a copy of this Resolution be forwarded to the Governments of Madras, Bombay, Bengal and Burma, and to the Director-General of Statistics, for information.

Provided always that,

(a) save under special agreements voluntarily undertaken, the said crew shall not be bound to serve on a voyage round Cape Horn; and

(b) during the said period, the said crew shall not be bound to serve between the 1st day of October in one year and the 31st day of March in the succeeding year—

(1) on voyages to any port in the Baltic:

(2) on voyages to any port on the east coast of America north of 78 degrees North latitude, except under special agreements voluntarily undertaken by members of the said crew employed solely between decks in the Engine and Stewards' Departments to serve on voyages to ports on that coast between 72 degrees and 63 degrees North latitude.

Provided further that,

In the case of any special agreement such as is mentioned in clause (b) of the above proviso, it shall be taken to be a term of such agreement that the seamen who become parties thereto shall be supplied, at the expense of the Master, with due and sufficient clothing for the intended voyage, and that proper provisions shall be made by the Master for the sufficient heating of their quarters.

And it is hereby agreed that any embezzlement, or wilful or negligent destruction of any part of the ship's cargo or stores, shall be made good to the owner out of the wages of the person guilty of the same; and if any person enters himself as qualified for a duty which he proves incompetent to perform, his wages shall be reduced in proportion to his incompetency (1).

And the said crew jointly and severally agree that in case any contraband goods be found on board, and a fine be imposed by the Customs authorities in respect of the same, the amount of such fine shall be recoverable from the wages of the owners or owner of the goods: but if the Master be not satisfied as to whom the goods belong such fine shall at the discretion of the Master, be recoverable rateably according to the rates of their wages, either from that portion of the crew belonging to the department in which contraband goods shall have been discovered, or from the whole crew.

It is also agreed that the regulations for maintaining discipline sanctioned by the Government, as printed on the last page of this agreement and numbered (2), are adopted by the parties hereto, and shall be considered as embodied in this agreement; and it is also agreed that if any member of the crew considers himself to be aggrieved by any breach of the agreement, or otherwise, he shall represent the same to the Master or Officer in charge of the ship in a quiet and orderly manner, who shall thereupon take such steps as the case may require.

And it is also agreed that should any serang, tindal, lascar, or stoker be found removing or causing to be removed, or disposing of, whether by sale or otherwise, any stores or provisions that have been issued to himself or any portion of the crew during the voyage, he shall be subject to a fine of ten days' pay for the first, and twenty days' pay for any subsequent offence.

REGULATIONS FOR MAINTAINING DISCIPLINE.

SANCTIONED BY GOVERNMENT IN PURSUANCE OF SECTION 27 (*g*) OF THE INDIAN MERCHANT SHIPPING ACT V OF 1883.

These Regulations are distinct from, and in addition to, those contained in the Act, and are sanctioned, but not universally required by law. All or any of them may be adopted by agreement between a Master and his crew, and thereupon the offences specified in such of them as are so adopted will be legally punishable by the appropriate fines or punishments.

These regulations are all numbered, and the numbers of such of them as are adopted must be inserted in the space left for that purpose in the agreement, page 1, and the following copy of these regulations must be made to correspond with the agreement by erasing such of the regulations as are not adopted. If the agreement is made before the Superintendent of a Mercantile Marine Office, his signature or initials must be placed opposite such of the regulations as are adopted.

For the purpose of legally enforcing any of the following penalties, the same steps must be adopted as in the case of other offences punishable under the Act, that is to say, a statement of the offence must, immediately after its commission, be entered in the official log book by the direction of the Master, and must, at the same time, be attested to be true by the signatures of the Master and the Mate, or one of the crew; and a copy of such entry must be furnished, or the same must be read over, to the offender, before the ship reaches any port or departs from the port at which she is; and an entry that the same has been so furnished or read over, and of the reply, if any, of the offender, must be made and signed in the same manner as the entry of the offence. These entries must, upon discharge of the offender, be shown to the Superintendent of a Mercantile Marine Office before whom the offender is discharged; and if he is satisfied that the offence is proved, and that the entries have been properly made, the fine must be deducted from the offender's wages and paid over to the Superintendent.

If, in consequence of subsequent good conduct, the Master thinks fit to remit or reduce any fine upon any member of his crew which has been entered in the official log, and signifies the same to the Superintendent, the fine shall be remitted or reduced accordingly. If wages are contracted for by the voyage or by share, amount of the fines is to be ascertained in the manner in which the amount of forfeiture is ascertained in similar cases under section 91 of Act I of 1859.

Agreements with lascars.

125—(1). The master or owner of any ship or his agent may enter into an agreement with a lascar or any native of India, binding him to proceed either as a seaman or as a passenger:—

Engagement of seamen.

(*a*) to any port in the United Kingdom, and there to enter into a further agreement to serve as a seaman in any ship which may happen to be there, and to be bound to any port in British India; or

(*b*) to any port in the Australian Colonies, and there to enter into a further agreement to serve as a seaman in any ship which may happen to be there, and to be bound to the United Kingdom or to any other part of Her Majesty's dominions.

(2) The original agreement shall be made in such form and contain such provisions, and be executed in such manner and contain such conditions for securing the return of the lascar or native to his own country and for other purposes, as the Governor-General of India in Council or the Governor in Council of any Indian Presidency in which the agreement is made may direct.

(3) Where any lascar or native bound by the original agreement is, on arriving in the United Kingdom or one of the said colonies, as the case may be, required to enter into such further agreement as aforesaid, some officer appointed for the purpose in the United Kingdom by a Secretary of State in Council of India, or in any such colony by the Governor of the colony, may, on the payment of such fee not exceeding ten shillings, as a Secretary of State in Council of India or the Governor may direct, certify,—

(*a*) that the further agreement is a proper agreement in all respects for the lascar or native to make, and is in accordance with the original agreement; and

(*b*) that the ship to which the further agreement relates is in all respects a proper ship for the lascar or native to serve in and also where the ship is in one of the said Australian colonies, that it is properly supplied with provisions; and

(*c*) that there is not, in his opinion, any objection to the full performance of the original agreement;

and thereupon the lascar or native shall be deemed to be engaged under the further agreement and to be for all purposes one of the crew of the ship to which it relates, and the lascar or native shall, notwithstanding a refusal to enter into the further agreement, be liable to the same consequences and be dealt with in all respects in the same manner, as if he had voluntarily entered into the same.

(4) The master of every ship arriving at a port in the United Kingdom, which has or during any part of her voyage has had on board a lascar or any native of India either as one of her crew or otherwise shall exhibit to the officer of customs, or to such person as the Board of Trade may authorise in that behalf, a statement containing a list and description of all lascars or natives of India, who are, have been, so on board, and an account of what has become of any lascar or native of India who at any time during the voyage has been, but is not then on board, and the ship shall not be cleared inwards, until the statement is exhibited, and if the master fails to exhibit such statement he and the owner of the ship shall be liable jointly and severally to a fine not exceeding ten pounds for every lascar or native of India in respect of whom the failure takes place.

(5) Nothing in this section shall affect any provisions which are unrepealed of the Act of the fourth year of the reign of King George the Fourth, chapter eighty, intituled "An Act to consolidate and amend the several laws now in force with respect to trade within the limits of the charter of the East India Company and to make further provision with respect to such trade."
